TERMS AND CONDITIONS AND SERVICE AGREEMENT

This Agreement is entered into, on the date herein by and between CUSTOMER ('CUSTOMER') as stated herein and Advanced Broadband Services Inc. ('ABS'). In addition to providing high speed access to the Internet for data, ABS also provides an Internet phone service delivered through a high-speed Internet connection. The service from ABS is NOT a traditional telephone service or what is deemed "primary telephone service" rather it is an extension of Internet service. Traditional telephone service is regulated by the CRTC. ABS service is not subject to any Canadian regulation today. ABS offers 911 services. ABS does not offer 900 services. ABS service is offered on a month-to-month basis for a term of one year which will automatically renew unless notice is given prior to one year anniversary of this Agreement. A valid credit card number or a pre-authorized payment instruction must be provided by the CUSTOMER. The first month begins on the date the service is activated. The monthly fee is charged upon activation regardless of whether the service is used or not. The first month is prorated from the date of account activation to the end of that month. It is agreed that this Service Agreement renews automatically and subsequent terms of this Agreement will be on a month-to-month basis without further action by any party. Countries which are included in 1000 minutes or more of Long Distance bundles are Canada and United States (lower 48 states). Calls made to mobile devices in these countries may be charged at a higher rate. The ABS service does not function in the event of power failure. Should there be an Interruption in the power supply, the service will not function. A power failure or disruption may require the CUSTOMER to reset or reconfigure equipment prior to utilizing the Service. Notice of any changes to the 'Terms and Conditions' shall be considered given when ABS posts the change on www.widox.ca. To keep up to date on the Terms and Conditions, CUSTOMER agrees to read the posting from time to time. Notice will be considered received by the CUSTOMER, and such changes will become binding on the date posted and no further notice will be given by ABS. It is the CUSTOMER's responsibility to check the terms and conditions from time to time for updates and changes. CUSTOMER signature below acknowledges the Terms and Conditions herein. CUSTOMER acknowledges that they are dependent on other agencies for 911 and operator-assisted calls and as such agree to hold ABS harmless in all situations. CUSTOMER hereby authorizes ABS to automatically debit ABS related fees through a credit card or a pre-authorized payment authorization.

Leased antenna, transceiver and modem units ('EQUIPMENT') are, and will remain, property of ABS. Modems purchased through ABS will be replaced and warranted by ABS according to the Manufacturer's terms of warranty. Defective modems not under warranty will be the responsibility of the CUSTOMER to replace.

If service is discontinued, the CUSTOMER agrees to return the EQUIPMENT to ABS during normal business hours, or to permit an ABS representative to enter CUSTOMER's premises to retrieve EQUIPMENT. If the EQUIPMENT is located in premises rented by CUSTOMER, to which owner or manager has access, CUSTOMER hereby authorizes the owner or manager to allow entry of the ABS representative in CUSTOMER's absence. ABS shall not be liable for nail holes, cable entry holes, etc. which are made at the time of installation and which may remain after removal of equipment. If, upon discontinuance of service, the CUSTOMER, does not promptly return the EQUIPMENT to ABS in working condition, the CUSTOMER agrees to pay ABS \$400.00 for the EQUIPMENT, in addition to any removal costs and any additional other monies which CUSTOMER may owe ABS.

All promotional packages are subject to 3 Year Contract. CUSTOMER agrees to a contract service term of 36 consecutive months. Early discontinuance of service within first 12 months will result in an early discontinuance fee of **\$350**. Early discontinuance within second year of service will result in an early discontinuance fee of **\$250**. Early discontinuance within third year of service will result in an early discontinuance fee of **\$100**. Only in cases where the proper level of service may not be maintained will the early discontinuance fee be waived. CUSTOMER understands and acknowledges that as long as the EQUIPMENT remains in their possession, there is the capability to receive certain signals providing certain types of services. Therefore, CUSTOMER agrees to pay monthly billing to ABS for such services until the EQUIPMENT maybe repaired or replaced. Loss or theft of the EQUIPMENT or physical damage to the EQUIPMENT is the responsibility of the CUSTOMER. CUSTOMER agrees to pay ABS the value of the EQUIPMENT or the cost to repair. Therefore, CUSTOMER agrees to provide reasonable access to their premises so that the EQUIPMENT may be repaired or replaced. CUSTOMER acknowledges that costs of repair or replacement are subject to change and other charges related to possession and use of the EQUIPMENT may be increased at any time in accordance with applicable laws and regulations. Upon notice, CUSTOMER agrees to pay such charges or return the EQUIPMENT in good working order. ABS reserves the right to replace or upgrade the EQUIPMENT as needs arise. CUSTOMER acknowledges that ABS must be granted access, at all reasonable times, to the EQUIPMENT. ABS's intent is to keep the EQUIPMENT in the best possible condition, enabling it to provide the best possible service. Service calls that reveal CUSTOMER end equipment being the cause of service interruption or malfunction will be billed at ABS hourly rate. Peak data rate will be affected by total system loading. CUSTOMER is aware the theft of service and/or property, or willful injury, destruction or alteration of the EQUIPMENT may subject CUSTOMER to civil and/or criminal liabilities. This agreement and the EQUIPMENT are not assignable or transferable by CUSTOMER and may be used only at CUSTOMER's address, unless otherwise authorized in writing by ABS. In the event that it becomes necessary for ABS to commence legal proceedings to recover the EQUIPMENT, or collect payment thereof, CUSTOMER agrees to pay, as part of the judgment, ABS's costs of recovery and collection, including reasonable attorney's fees and court costs. CUSTOMER agrees to pay all attorney's fees, court costs, filing fees, including charges or commissions that may be assessed to us by any collection agency retained to pursue this matter. CUSTOMER further agrees to pay interest at the rate of 2.0% per month (24% per year).

ABS offers a referral discount. Discount of \$50 is applied to a referee after the second month is paid by a new referred customer.

Authorization for Installation & Limitation of Liability

The CUSTOMER hereby authorizes ABS to install equipment, including but not limited to antennas, on their property. The CUSTOMER represents that they have the legal authority to grant this permission and that the installation complies with any applicable property regulations, homeowner association rules, or lease agreements. The CUSTOMER acknowledges that the installation may involve modifications to the property. While ABS takes reasonable precautions, ABS shall not be liable for any damage to the property arising from water intrusion, weather conditions, or other natural causes following installation. The CUSTOMER assumes full responsibility for any such risks and agrees to hold ABS harmless from any claims, damages, or losses resulting from such events. In any case, ABS's total liability for any claims related to the installation or equipment shall not exceed the total amount paid by the CUSTOMER to ABS in the twelve (12) months preceding the claim's acceptance by ABS.

By initializing below, the CUSTOMER acknowledges and agrees to the terms outlined in this agreement.
